COURSE REPS

WHAT IS A COURSE REP?

Course Reps are elected to represent the views of their fellow students to the staff delivering their course.

WHAT DOES THE ROLE INVOLVE?

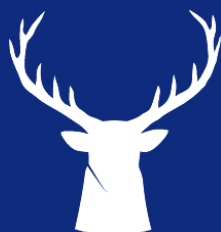

CAPTURE student feedback to find out what they think about your course and what matters to them.

COMMUNICATE this feedback to the University - this may be in meetings or in the Union's Student Voice Forum.

CONCLUDE by making sure your fellow students know that their voice has been heard, and what has happened as a result.

HOW DO I GET INVOLVED?

Elections are **happening now** - keep an eye out for information from your department about how to nominate yourself for election.
