

## Club and Society Endorsements

**Note to candidates** - If you would like to publically state that a Club or Society endorses your candidacy for a particular role in Surrey Decides, you should have all three signatories of that Group sign below. This form must be returned to [surreydecides@surrey.ac.uk](mailto:surreydecides@surrey.ac.uk).

Please note that this form will only be used in the event of a complaint being received. Endorsement from a Club or Society does not *necessarily* mean that group's members will vote for you.

**Note to signatories** – thanks for being a part of Surrey Decides 2020; this form is to confirm that you, as a Club/Society committee, endorse this candidate for the role they are running for in Surrey Decides. Clubs/Societies do not have to endorse any candidates, but you may endorse as many as you wish for any roles available. Endorsement does not mean that your members must all vote for a particular candidate, but if you do endorse one or more candidates, Groups often choose to share campaign material and voting information.
