The Union Chair will work with full time members of staff to ensure that the rules for the AMM are clearly advertised in advance, so students attending are aware of how the meeting works.

Union Byelaws | The byelaws are a set of rules which the Students' Union has to follow. The Chair is responsible for ensuring the Union is operating within its byelaws, and if necessary make any rulings based on the byelaws. Holding Elected Officers to Account | The Union Chair will hold all officers to account during Union Executive meetings but is mainly responsible for holding the President to account. This officer will ensure that the President is leading the organisation in a way that is right for the student body, and fulfilling the promises made in their manifesto to the student body.

UNION CHAIR

The Union Chair will also chair other additional committees throughout the year such as Democracy Committee and Surrey Decides Planning committee.

All Union officers are asked to participate as part of a team in activities that enhance the Students' Union's engagement with its members.

Overall, this part time student role is an excellent choice for any student looking to take on a leadership role in their spare time. An interest in policy and democracy is an advantage, but knowledge is not essential – full training and support will be provided.
